APPENDIX.

REVISED RULES REGARDING THE TRAINING, EMPLOYMENT AND PROMOTION OF COMPOUNDERS IN THE MEDICAL DEPARTMENT.

Training in the art of compounding will be given in the Victoria Hospital at Bangalore and the Krishnarajendra Hospital at Mysore and will extend over a period of one year as shown below :—

(i) *Mornings.*	(ii) *Evenings.*
Compounding, Surgical Dressing and Ambulance for six weeks in the Hospital.	*Lectures, twice a week.*—(a) Materia Medica and Pharmacy. (Lectures to be delivered by one of the Assistant Surgeons attached to the Hospital.) (b) Office work and compilation of statistics and periodical returns.

One month in vaccination in the Vaccine Institute, Bangalore.

N.B.—Lady candidates may be posted to the Maternity Hospital or Vani Vilas Hospital to undergo training in Compounding and Surgical Dressing. In the evenings they will attend the lectures to be delivered in the Victoria or the Krishnarajendra Hospitals.

2. No stipends will be granted to male candidates. Four stipends of the value of Rs. 10 each per mensem may be granted to deserving lady candidates every year.

3. The number of candidates that could receive training in Bangalore and Mysore will be 25 each every year.

4. The Senior Surgeon will cause a notification to be published in the *Mysore Gazette* inviting applications from qualified candidates in the month of June every year. The requisite number will be selected by him and the classes will commence from 1st July.

5. Applications for admission will be registered in the Office of the Senior Surgeon. They should be made in the prescribed form and should be accompanied by the following certificates:—

(*a*) A certificate of character signed by the Head Master of the School last attended by the applicant.

(*b*) A certificate of having passed the English Lower Secondary Examination or any other higher examination.

(*c*) A certificate of physical fitness and a vaccination certificate signed by a registered Medical Practitioner of Mysore.

(*d*) A certificate from any of the officers of the Mysore State holding a substantive appointment carrying a pay of not less than Rs. 100 to the effect that the applicant is a Mysorean by birth or domicile.

6. The selected male candidates will have to pay each an admission fee of Re. 1 and a tuition fee of Rs. 2 per mensem ; lady candidates will be exempted from such payment.

N.B.—Out of the tuition fees collected, half will be given as remuneration to the Assistant Surgeon or other officer or officers who undertake the lectures and the other half will be credited to Government.

7. At least 15 days before the date on which the candidates are due to sit for the final qualifying examination, the Medical Officer in charge of the Medical Institution shall report the fact to the Senior Surgeon who will appoint a Board consisting of three Medical Officers, to examine the pupils and to report the results.

Candidates who are declared to have successfully passed the qualifying examination, will be awarded Diplomas in the Form appended.

8. Only candidates who have successfully undergone the above course and hold diplomas will be eligible for appointment as Compounders in the State and Aided Medical Institutions or in any shop or place kept for the ratail sale of drugs recognised by the British Pharmacopoeia and required to be licensed under Section 141-A of the Mysore Municipal Regulation.

9. Candidates who fail in the examination may be remanded for a further period of three months or more (with or without scholarship according to circumstances in the case of lady candidates) and re-examined at the end of the period with the sanction of the Senior Surgeon.

10. Lady candidates selected for the award of scholarships will be required to execute a covenant in the form appended to Government Order No. G. 160-1—Med. 65-18-10, dated 3rd July 1919 agreeing, if called upon, to serve the Mysore Medical Department for a period of not less than 5 years after obtaining the qualification of Compounder or to refund the total cost incurred by Government in training them. The candidates will however be released of their obligation if they are not provided with appointments within a year of their passing.

The pay and prospects of qualified Compounders will be as shown below:—

4th Class 1 to 5 years of service	..	Rs. 20	per mensem.
3rd Class 6 to 10 years of service	..	„ 23	do
2nd Class 11 to 15 years of service	..	„ 26	do
1st Class over 15 years of service	..	„ 30	do

They will also get the local malnad or other allowances attached to certain institutions or localities.

The promotion of Compounders from one class to another will depend on the report of the District Medical Officer or the Medical Officer of the Institution concerned to the effect that they have kept up their professional knowledge without deterioration and have rendered approved service and been generally of good behaviour.

FINANCIAL SECRETARIAT

Working of the Insurance Scheme for the year 1931-32.

READ—

Letter No. 10054, dated 29—30th November 1932, from the Secretary, Insurance Committee, submitting the annual report on the working of the Insurance Scheme for the year 1931-32, together with the Auditor's Report.

ORDER NO. FL. 4138-97—G. F. 96-32-3, DATED BANGALORE, THE 23RD JANUARY 1933.

Recorded.

2. Government note that there has been continued progress in both the Official and Public Branches, during the year under review.

3. *Official Branch.*—The number of proposals dealt with was 2,282 of which 1,774 were finally concluded with the issue of policies assuring Rs. 13,83,575 for a monthly premium of Rs. 4,707 as against 1,556 policies assuring Rs. 12,71,849 for a monthly premium of Rs. 4,306 in the previous year. The number of proposals pending disposal at the end of the year was 97 as against 150 remaining to be dealt with at the commencement of the year. Exclusive of interest on the monthly balances and the investment in State Loan Bonds, the total receipts during the year amounted to Rs. 9,54,388-5-9 and the balance at the credit of the Fund on 30th June 1932, stood at Rs. 105,46,525-10-9. Including the State Loan Bonds held by the Insurance Office, the balance at credit was Rs. 106,96,935-10-9. The percentage of the cost of management to the premium income of the year was 5·25 as against 4·47 in 1930-31. The
